103 Broad Street
Gloversville
N. Y.

KING'S CHAPEL, BOSTON, MASS. A venerable edifice, built in 1754 by the Episcopalians on the site of the first church of that sect in Boston. Adjoining, beneath the trees, is the first burying ground established in Boston. Beneath the stones, which are half submerged by the accumulations of two centuries, thunder the trains through the underground "Subway."

THE HUGH C. LEIGHTON CO., MANUFACTURERS, PORTLAND, ME., U.S.A. PRINTED IN FRANKFORT a/MAIN, GERMANY 1836
